Maja Hrabak Paar

title of the lecture

Retroperitoneal masses

Ischemic heart disease

short CV

Maja Hrabak Paar works as an assistant professor at the University of Zagreb School of Medicine, Croatia. She finished her residency in Zagreb in 2008. She introduced cardiac imaging in Croatia after training in cardiac radiology as a fellow of the European School of Radiology in AKH Vienna, Austria in 2007. She spent the academic year 2014/2015 as a postdoctoral fellow in cardiac imaging at the University Hospital Basel, Switzerland. Her main clinical and scientific interests are cardiac and body imaging. She is president of the Cardiac Section of the Croatian Society of Radiology, a member of the ESCR Education & EBCR Committee, a member of the "Cardiac Imaging section" of the ESR e-learning subcommittee, and a congress president of the online edition ESCR Annual Meeting 2020.

Please send us a text (approximately 100 to 150 words) along with a photo (minimal dimension: 1200 x 800px).

I agree that the above information will be used on the course website entitled 1st Regional Course on Body CT / MRI.

Maja Hrabak Paar
